

DreamWeaver™ XE VM6200D

*Street pricing may vary

For those who dream of doing it all – sewing, embroidery, quilting and more

Overview

DreamWeaver™ XE is the exciting new mid-priced combination quilting, sewing and embroidery machine, which is downright dreamy – revolutionary technology, reliability, and ease of operation make this the perfect addition to create projects you've always dreamed of, all while adding a touch of sophistication to your sewing room. This exciting combination machine is packed with Brother-exclusive and industry-first features. A new chassis gives 5.0" x 11.25" of workspace – our biggest work area ever! Featuring 10" LED lighting for brilliant, full spectrum lighting. With up to 1,050 stitches per minute, you will be creating more works of art in less time. The V-Sonic™ Pen Pal is available for sewing and embroidery. Simply touch the fabric with the sensor pen to place an embroidery pattern or place the needle, setting the stitch width and setting the end point. Sew Straight™ Laser Vision Guide makes it easier than ever to sew straight lines. A huge benefit when quilting, piecing, pintucking and aligning rows of stitches. Become a master by watching onscreen tutorials with the large LCD touch screen display which offers vivid, crystal-clear lucidity. If all the industry-first features weren't enough to make your dreams come true, this machine also has many exciting features that customers have come to love like the Automatic Height Adjuster™ AHA® feature and automatic needle threading. Plus, this machine is iBroidery® ready so you have access to thousands of embroidery designs available for purchase. Tackle bigger, bolder projects than you may have ever dreamed of with DreamWeaver™ XE!
